MEMORANDUM FOR: Deputy Director (Support)
SUBJECT : High Speed Electronic Printer

1. This is for your information.
2. The attached article from Electronic News derives from a conversation between Stan Grogan and a reporter. Stan asked me about the subject at the time, and I told him that I was unaware of any Agency negotiations that were underway for a printer of this type; I felt that the reporter was working on garbled information. I have since double checked on this with Commo, TSS and PSD, and can find no Agency involvement.
